# GO MAKE DISCIPLES

Dear Friends in Christ,

In the Gospel of Matthew, Jesus tells his followers, “*Go make disciples.*” Throughout the course of my episcopal ministry, I have been blessed to witness the unwavering commitment of my brother bishops as they embrace this sacred commission.

Over the past five years, I have had the privilege of being part of the Rebuilt Parish movement—which emerged from the heart of a parish with a desire to reach the lost and revitalize the faithful. While you may be familiar with the book “Rebuilt” and its authors, Fr. Michael White and Tom Corcoran, you may not be aware of the extent of the ministry’s reach.

Beyond the pages of the book, the Rebuilt movement is actively serving dioceses across the country in a multitude of ways. From coaching parishes, presenting at Diocesan Convocations, leading Parish Missions, and offering a compendium of ministry resources, the Rebuilt team is committed to supporting and empowering ministry leaders of all dioceses anywhere in the world.

I believe the Rebuilt Parish movement can be vital for equipping the Church to fulfill its mission of making disciples, and our work with many partner parishes across the country demonstrates Rebuilt’s impact. We’re eager to support your diocese. This brochure outlines our speaking activities. Please think of Rebuilt for an upcoming diocesan event. Thank you for your consideration.

Prayerfully yours in Christ,  
Bishop Adam Parker

### **Rebuilt Faith**

Rebuilding and renewing your own faith may begin when you feel a small nagging that you want something more – more connectedness, more community, or more purpose. That’s the spark that leads to a flame that burns brightly around Jesus, the foundation of living and growing in faith.

### **Reaching the Lost, Growing Wider**

Jesus said He came to seek and save the lost. Parishes that are healthy and growing are intentional and passionate about reaching people in their community who are not currently attending church. These parishes view their community as their mission field. In this presentation we consider ways to build a parish community, a culture, that welcomes outsiders and offers radical hospitality.

### **Don't Rob God: Increasing Generosity in your Church**

To be blunt, Money is necessary to do ministry. It is said that where there is no vision, the people perish. However, where there is no money, the vision perishes. Financial resources fund programs, pay staff and turn on the lights. Many (most) parishes struggle to raise the resources they need to fulfill God’s plans for the parish. The solution resides in connecting giving to discipleship, to focus not on raising money, but on raising givers. In this session we share core strategies that fuel giving in parishes.
